ABOUT ME

I am a 100% self-taught full-stack developer from Saskatoon Saskatchewan. After several years of professional experience working in areas such as tech sales, marketing, and data analysis, I decided to pursue a field that has always interested me - computer programming.

EXPERIENCE

Planned Career Break

2022-2023

- Building capabilities in full-stack development
- Creating web apps using modern object-oriented programming languages and frameworks

Data Analyst Red Wireless

2021 - 2022

- Managing the collection, upkeep, and analysis of company data
- Automating processes using Zapier
- Managing freelance developers and designers

SkipTheDishes Territory Sales Executive

2020-2021

- Prospecting, pitching, and signing new restaurant partners across Saskatchewan
- Advising new restaurant partners on best practices to succeed on Skip

Vendasta BDR/SDR Team Lead/SDR

2019 - 2020

- As a BDR - prospecting, pitching and signing new channel partners
- As SDR Team Lead - Managed a team of 5 SDRs while maintaining a full SDR quota
- As an SDR - Sales prospecting and connecting prospects with the BDR team
